

# PROCESS PUMP & SEAL, INC.

## *PROCESS SOLUTION SPECIALISTS*

### **MECHANICAL SEAL REPAIR**

**We Repair ALL Manufacturers AND Types of Seals**

Split Seals

Gas Seals

Cassette Seals

Mixer Seals

Single & Double Seals

Rotary & Stationary Seals

**BEFORE**

**AFTER**

### ***OUR PROCESS:***

Our goal is to get you back up and running as quickly as possible. We have the skill and tools to accurately diagnose, clean, and assemble seals. Parts for assembly either are stocked or can be quickly delivered to our facility thanks to our reliable distribution network. Once assembled, mechanical seals are pressure tested to ensure they will work properly in the field.

**Repair Services available throughout the United States**

## **- A DEEPER LOOK AT THE REPAIR PROCESS -**

**Industrial Grade Cleaning is Performed: Baking, Washing, Sand Blasting**
